Overview

Greetings from the Kenya Society of Anaesthesiologists (KSA).

The conference secretariat, executive and scientific committees are pleased to invite you to attend and partner with us at the 33rd KSA Annual Scientific Conference from 19th-21st August, 2026 at Sarova Whitesands, Mombasa.

This year's conference will offer unparalleled opportunities for exposure and increased visibility locally and across the region. This prestigious gathering will attract a record number of delegates from across the country including renowned faculty, consultant anaesthesiologists, residents, fellows and all anaesthesia professionals.

With unmatched opportunities for exposure and networking, this event is the ideal platform to showcase your brand and engage with the highest number of participants we've ever hosted. Don't miss the chance to be part of the most significant conference in the region's anesthesiology calendar!

The theme for the conference is Safe Anaesthesia for All: Advancing Innovation, Equity and Resilience across Diverse Healthcare Settings.

We thank you for your continued commitment and support to the profession and in advancing Safe Anaesthesia.

About Us

The Kenya Society of Anaesthesiologists (KSA) is a professional body for Anaesthesiologists in Kenya. Full membership is available to qualified Anaesthesiologists, while associate membership extends to Registered Clinical Officers in Anaesthesia, Nurse Anaesthetists, and students in the field. Honorary membership is granted to international Anaesthesiologists who make significant contributions to the society.

Founded on 21st September 1994, KSA operates under a constitution that defines its governance through an Executive Council and Annual General Meetings (AGM). The society is affiliated with the World Federation of Societies of Anaesthesiologists (WFSA) and the Kenya Society of Professionals.

Through its collaborative efforts, KSA continues to advocate for the advancement of anaesthesia practice in Kenya, promoting excellence in patient care and professional development.

Venue

Set along the Kenyan coast, the venue offers expansive and flexible conferencing spaces that seamlessly accommodate plenary sessions, parallel scientific tracks, hands-on workshops, and a dynamic exhibition area. This integrated layout is designed to optimize delegate flow and maximize sponsor interaction throughout the conference.

For partners and exhibitors, Sarova Whitesands provides a highly engaging environment where visibility extends beyond traditional booth spaces. Strategically positioned exhibition zones, networking lounges, and breakout areas create multiple touchpoints for brand exposure, product demonstrations, and direct engagement with clinicians, decision-makers, and trainees.

The resort's modern audiovisual infrastructure and technical support ensure that sponsored sessions, symposia, and product showcases are delivered with professionalism and impact—aligned with the conference theme, Advancing Safe Anaesthesia: Precision Medicine.

Beyond the formal sessions, the venue's unique beachfront setting supports informal networking through curated social functions, wellness spaces, and relaxed meeting areas—offering sponsors additional opportunities to build relationships, strengthen brand recall, and engage delegates in more meaningful ways.

Conveniently located approximately 30 minutes from Moi International Airport, the venue ensures accessibility while providing an immersive destination experience that encourages higher delegate retention and sustained engagement across all conference days.

Key highlights of the Resort

High-visibility exhibition spaces integrated within core delegate traffic flow

Multiple engagement points beyond booths (networking areas, social functions, breakout zones)

Ideal setting for sponsored symposia, workshops, and product demonstrations

Environment that supports deeper interaction with anaesthesia and critical care professionals

Destination venue that enhances delegate attendance, participation, and dwell time

Strong alignment with a high-level scientific program and targeted audience

Opportunity to position your brand within a premium, well-curated conference experience
